AFTER

MOST MEN NEVER REALIZE THEIR POTENTIAL FOR MUSCULARITY. Why? Probably because they've never crossed or taken advantage of a training program quite like the one we offer here at UNIVERSAL BODYBUILDING. Our course has the ULTIMATE MASTERPLAN for TOTAL BODY DEVELOPMENT!

Very few men are satisfied with the way they look at present. They know themselves that they wouldn't mind having a REALLY MASCULINE BODY — one that will "turn on" the girls and make the guys envious.

WITH UNIVERSAL METHODS, YOU CAN BREAK OUT OF YOUR "OLD SELF" AND TRANSFORM YOUR BODY INTO AN ATTENTION-GETTER! WE GUARANTEE TO IMPROVE YOUR BODY FAR BEYOND WHAT YOU'VE EVER BELIEVED POSSIBLE! We have perfected bodybuilding techniques and techniques to the extreme, so that we can offer you the fastest gains possible. If you're thin and underweight, you'll be astonished at how quickly muscles appear. If you're overweight, we can help you to trim down the fat and replace it with rock-hard muscle. We'll tone up your abdominal area, and show you how to obtain a well-defined and impressive waist.

Add 2 or 3 inches to your arms, 4 or 5 inches to your chest — your rewards will be in direct proportion to your effort and accomplishments — nobody sets a limit to your success.

In the time it takes to complete this 12 lesson course, we can guarantee you a muscular foundation fantastic enough to be developed to your fullest potential! You can go far beyond mere "improvement" with the Advanced Training Techniques included in this course. We can give you the firm, rippling, muscular body of a physique star! Send in for our FREE COLORFUL BROCHURES TODAY (fantastic information about our course — loaded with unbelievable photographs). You won't regret it!!

INSTANTLY —

THIS IS A VERY SPECIAL PERSON.

Prince Randian was born without arms and legs, yet he made a life for himself. For forty-five years he appeared in carnivals, circuses, and dime museums as "The Caterpillar Man". He died at the age of sixty-three leaving a wife and five children.

This is just one of the many unusual and fascinating true stories in Frederick Drimmer's **BEST SELLER, Very Special People**. What makes these people very special is that they all lived *unusual lives*.

Read about the original Siamese Twins, the Elephant Man, "Hop" the Frog Boy, the Mule-Faced Woman, the Elastic Skin Man, General Tom Thumb,

the Heaviest Man in the World, the Tallest Man in the World, Living Skeletons, Fat Ladies, Armless and Legless Wonders, Bearded Ladies and many, many other human oddities.

This is not just a picture book of "freaks". The author treats these people with insight, compassion and the dignity one earns by being born different from everyone else.

Very Special People, hard covered with over 400 pages and 67 RARE PHOTOS!

"Look who's smiling now!"

Sometimes a man sets his ambitions high enough to make skeptics smile. But how often he gets the last laugh! One outstanding LaSalle graduate writes: "At the time I started studying with LaSalle, I was working as a factory clerk. Before completing the course I was transferred to cost accounting and my salary was increased by \$1800. Now, having completed the course, I'm in charge of the department and on my way. LaSalle's course helped me pull myself out of a boring and ill-paid job into a position of opportunity."

The words in quotes come directly from one of the pleased reports that are sent to us by LaSalle graduates. LaSalle files contain many letters from men and women who have moved ahead with the help of LaSalle training. You, too, can prepare for the career opportunity of your choice through LaSalle home study — without interfering with your present work — and by devoting only a little of your spare time.

LaSalle has been a leader in home education for more than sixty years, enrolling over 2,000,000 ambitious men and women in its many courses. You study under the supervision of LaSalle's experienced faculty. Upon satisfactory completion of your study, you receive the LaSalle diploma — a respected credential.

Mailing the LaSalle postage-paid coupon alongside may be the first step toward preparing yourself for a better job, and the many good things that go with success. Simply check the program in which you are most interested, to receive a valuable free booklet describing the opportunities in that field. There is no obligation. LaSalle, 417 S.
